		<b>XR14 Single-Stage Heat Pump†</b> Up to 14.8 SEER2 / 7.8 HSPF2

## MORE STAGES = MORE COMFORT.

A heat pump's number of stages or speeds determines how efficiently it manages the temperature, humidity, and comfort of your home. Trane's TruComfort™ variable-speed systems can run at 500–750 different speeds to meet heating and cooling demands—delivering the ultimate in whisper-quiet comfort.

## EFFICIENTLY SIMPLE.

Trane's two-stage and one-stage systems provide excellent value along with reliable cooling and heating comfort and efficiency. Options include low-profile units, compressor sound insulators and WeatherGuard tops on select models.

To minimize environmental impacts, the HVAC industry is transitioning to **Lower Global Warming Potential (GWP)** refrigerants. Trane's newest lineup of equipment designs—tagged with our two-tone green icon for easy identification—harnesses this next-generation technology to maximize your year-round comfort while innovating for a sustainable future. Talk to your local Trane dealer to learn more about your best options.

This product meets ENERGY STAR requirements when appropriate coil components are used. Ask your dealer for details.

Select models include innovative Trane Link technology, which uses Bluetooth to communicate between system components.

\* WeatherGuard top is included

# A CLOSER LOOK

## WeatherGuard™ III Top

Is not only attractive, the durable polycarbonate material provides lasting protection.

*Weather Guard III top comes on XV20i, XL17 and XL15, and is an optional accessory on select models.*

## Exclusive Refrigerant-Cooled Inverter

Helps keep electronics at a consistent temperature, leading to improved performance and reliability.

## Climatuff® Variable Speed Compressor

Is the heart of Trane TruComfort™ technology. It automatically adjusts itself while maintaining constant and consistent comfort.

## Compressor Sound Insulators

Reduce operating sound for a quieter home environment.

## Full-Sided Galvanized Steel Louvered Panels

Protect internal components while maintaining airflow efficiency.

## Powder-Paint Finish

Virtually indestructible for maximum protection against corrosion and rust, and years of reliable protection.

## WeatherGuard™ Top (Optional Accessory)

- Available as an accessory and aftermarket kit
- Keeps snow, rain, leaves, and debris out
- Reduces icing during severe operating conditions
- Additional protection for small children playing near unit

## Integrated Fan System

Unique blade-down design improves airflow, enhances performance and reduces sound levels.

## Exclusive All-Aluminum Spine Fin™ Woven Coil

Enhances airflow and heat transfer while resisting corrosion and leaks. They are proven far more reliable than traditional copper and aluminum coils.

## Trane Link Communicating Control Board

Powers the compressor and controls communication between components to optimize your comfort and efficiency.

## Four Wire Connection

Optional 2 wire connection available.

## DuraTuff™ Rustproof Basepan

Won't crack, corrode, rust or warp.

## WeatherGuard™ Zinc-Coated Fasteners

Provide corrosion resistance and longer life, because even minor details are what Trane reliability is all about.

<sup>A</sup> Trane UX360 Smart Thermostat and system controller is required for all XV20i, or XV18 heat pumps.

The XV20i shown is for illustration purposes only. Please note that features and components may vary by model. As part of our continuous product improvement, Trane reserves the right to change specifications and design without notice.

<sup>A</sup> Sound pressure levels per ARI 275

\* XV20i, XV18, XV19 vary speed in 1/10 of 1% increments; XV17 varies speed in 1% increments.

\*\* 2 & 3 ton have 500 stages, 4 ton has 650 stages, 5 ton has 700 stages

+ 2 & 3 ton are 50-100%, 4 ton is 35-100%, 5 ton is 30-100%

<sup>1</sup> Registered Limited Warranty terms are available when you register within 60 days of installation. You can register online at Trane.com or by phone at 855-260-2975, otherwise Trane's Base Limited Warranty terms will apply. Base Limited Warranty information on specific products can be found on Trane.com. Ask your dealer for full warranty information at time of purchase. Warranties are for residential and multi-family use only, some exclusions may apply. Product Registration and Registration Transfer exclusions vary in the US from state to state and in Canada from province to province. To determine if there are specific exclusions for your state or province check your local laws.

# TRANE DEALERS ARE AS HARD TO STOP AS A TRANE ITSELF.

Independent Trane dealers take great pride in creating your perfect indoor environment. They are some of the most highly trained professionals in the business—with an extensive understanding of the movement and conditioning of air and the expertise to recommend, install and maintain the right system for your home.

WE ARE COMMITTED TO USING ENVIRONMENTALLY FRIENDLY PRINTING PRACTICES.

## COMFORT. CONTROL. EFFICIENCY.

Optimize the comfort and efficiency of your home with the Trane Home smart comfort system.

The Trane Home mobile app gives you remote access to your HVAC system through your connected Trane smart thermostat. Adjust your temperature, set your schedule, and view your HVAC usage from anywhere.

Trane Home connects to your Trane HVAC system to provide you with remote control and diagnostics. To view additional integrations and subscriptions, visit our Knowledge Base at [Trane.com/residential/home-subscription/](https://Trane.com/residential/home-subscription/)

## WHY IS INDOOR AIR QUALITY IMPORTANT?

We spend 90% of our time indoors, and 70% of that is in our home<sup>1</sup> where the air can be up to 5X poorer quality than the air outside<sup>2</sup>. To help improve your indoor air, Trane offers a complete portfolio of air filtration equipment for whole home solutions for new and existing units.

### TRANE CLEANEFFECTS® AIR CLEANER

Utilizes patented technology to deliver cleaner air to the whole home by removing up to 99.98% of airborne particles<sup>3</sup> that pass through the re-usable filter, including 99.9% of the Influenza A (H1N1) virus<sup>4</sup>. This level of filtration makes it up to 100X more effective than a standard 1" filter<sup>5</sup>. Plus, it's the ONLY whole-home electronic air cleaner that is certified **asthma & allergy friendly**<sup>6</sup> by the Asthma & Allergy Foundation of America.

Trane CleanEffects® is verified zero ozone producing so you can breathe easier knowing your air is free from harmful byproducts.<sup>6</sup>

### ENERGY RECOVERY VENTILATORS (ERV)

Provide an energy-efficient way to exchange air inside your home with fresh air from outside, removing lingering odors like cooking smells while improving overall air quality.

### HUMIDIFIERS AND DEHUMIDIFIERS

Deliver the right amount of moisture to the air throughout your home, adjusting from summer to winter.
