THE
HALO
GAS FIRE PIT

THE ULTIMATE PATIO ACCESSORY HAS ARRIVED

Urbana Luxury Fireplaces has created an exciting new product that will make your backyard the envy of the neighborhood. The clean modern appearance of the Halo Gas Fire Pit is a perfect fit for your patio. The soft glow of the LED ring helps set the mood without distracting from the impressive flame. The exclusive SPYDER burner design uses 170,000 BTU'S to create an organic burn pattern that delights the senses and looks great with or without the high definition log set. Designed & built in North America, the stainless steel fire pit can withstand the harsh elements of the outdoors so it can be ready to perform when you are.
